

The Alabama Sheriffs Youth Ranches is a 501(c)(3), non-profit Christian organization that provides safe, loving homes for at-risk children throughout Alabama.

Starting with one Boys Ranch in 1966, Alabama's sheriffs provided a safe haven and surrogate family for boys who were in crises situations. In doing so, our sheriffs established an organization that gives every child an opportunity to become successful adults and responsible citizens in their communities.

We provide our children with a structured, loving Christian environment. The children attend local churches and schools in their communities, and are taught the value of having a good work ethic by sharing in household duties and chores on the Ranches. Ranchers also participate in daily family devotionals and pledge allegiance to the American flag.

We have four Ranch locations: Baldwin County, Colbert County, St. Clair County, Tallapoosa County, and our corporate office in Montgomery, Alabama.

The Ranches operate almost entirely through funds donated by individuals and corporations, as well as income from special events and grants. A large portion of the player's fees and the entire hole sponsor fee is a tax-deductible donation to the children. Thank you for supporting the children through your participation in this charitable event.
